

## Letter of Recommendation

I am Monica Nagardhankar - Talent Head at Walnut Folks Group. I am using this letter to recommend one of our very talented interns- Megha Rajesh.

I've known Megha for the last 2 months when she joined us as a PR Intern. She has been working with us from 25th August 2021 till 25th October 2021. Since then Megha has grown in the role and always kept learning on the job. She has been diligent and hardworking with her responsibilities around PR activities for the reputed clientele of Walnut Folks.

Megha is a team player and extremely self-motivated person, always helping others and ensuring that the challenges that come her way are tackled with extreme precision and patience. She stands out in any group with her energy and the enthusiasm she brings.

An excellent speaker, Megha regularly brainstormed with the team to learn and discuss PR activities that helped the entire team share ideas and learn more efficiently. I wish her all the very best in her professional pursuits, and I hope she will be a great addition to any institute or organization she associates with. Feel free to reach out to me in case of any queries or clarifications.

For Walnut Folks Pvt Ltd,

Monica
